

GUI SKETCH → APPLICANT HOME PAGE

The sketch illustrates a user interface for an applicant home page. At the top, there is a navigation bar with a logo, a search bar, and icons for Home, Jobs, Messaging, Notifications, and Profile. Below the navigation bar, a large section is titled "FIND YOUR CAREER!" and features three search buttons: "Jobs Search", "Company Search", and "Career Search".

The main content area is divided into several sections:

- Explore Jobs:** A section titled "Jobs Recommended for you" displays four job cards, each with fields for Job, Company, Location, and Deadline, and a star icon. Below this section is a link "See More Jobs →".
- Jobs You've Favorited:** A section displaying four job cards, each with a yellow star icon. Below this section is a link "See More Jobs →".
- Explore Companies:** A section titled "Companies based on interests" showing three company cards. Each card includes a logo, company name, description, and a 5-star reviews rating. Below this section is a link "See more companies →".
- Explore Careers:** A section titled "Careers based on profile and interests" showing four career cards. Below this section is a link "See more careers →".
